Following are special Thanksgiving menus available at restaurants in Southern Nevada. This is not intended as a complete listing. Unless otherwise noted, the menus are available only on Thanksgiving Day, Nov. 24. Also unless noted, prices are per-person, plus tax and tip. Also, note that most buffets in the Las Vegas area add Thanksgiving-themed dishes for the holiday.

**Andrea's, Wynn Las Vegas; 702-770-3463 or [www.wynnlasvegas.com](http://www.wynnlasvegas.com).** Turkey Thai Green Curry, \$36. Regular menu also available.
